Description

Bronze statuette formerly silver plated representing a man and a woman dressed in the style of the early 19th century. The woman seems to be praying or confessing, hands joined, kneeling on a neo-Gothic bronze altar in gilded bronze. The man, most certainly from the church, holds a cross in his hand. These bronze subjects seem to have been mounted later on a marble base. Period 19th century. Delivery 18 euros in France, 35 euros in the EU and 80 euros rest of the world.
