### Description

We are honored to offer for sale two hunting decoys, a rare and precious object of folk art, carefully crafted and intended for collectors and lovers of traditional art. This decoy is an authentic testimony to the know-how of the craftsmen of yesteryear, hand-carved and often decorated with patterns and details characteristic of a bygone era. It is designed to simulate the sounds of birds, thus deceiving prey and facilitating hunting. Characteristics: Type: Hunting decoy Materials: carved cork Period: late 19th early 20th century Origin: Camargue Condition: needs restoration This object, beyond its initial functionality, is also a remarkable decorative piece for any lover of folk art and cultural heritage.
