Description

This work, entitled Pool, Côte d'Azur, is a brilliant demonstration of Michel Tronel's talent. It depicts a carefully landscaped Mediterranean garden, where the geometry of the hedges and the lushness of the trees meet the subtle reflections of a swimming pool with clear water. The bright light of the South of France bathes each element of the painting, sublimating the lush vegetation and the azure sky. Tronel, faithful to his figurative approach, captures here an almost palpable serenity. The subtle play of shadow and light, as well as the precision of the details, create a visual harmony that transports the viewer into a universe that is both poetic and realistic. A timeless work, perfect for awakening an atmosphere of calm and beauty in any space. Dimensions: Height: 83 cm Width: 100 cm
