### Description

Very elegant pair of three-armed candelabras in the Louis XVI style, late 18th or early 19th century. Each candelabra rests on a white and red marble base decorated with sculpted garlands. The central shaft, finely chiseled and gilded, is inhabited by a putto figurine, a classic symbol of innocence and grace. The arms are delicately worked in the shape of flowering branches, each rose serving as a support for the candlesticks. Good condition, very small losses on a garland
