1 250 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

### Description

Rolleiflex T1Gris n°2150996. Tessar 3.5/75 mm shooting lens n° 2823269 Heidosmat 2.8/75 mm viewing lens n° 3026452 Leather case in near new condition. Rolleiflex model T. 6x6 cm format twin-lens camera. German manufacture by Franke & Heidecke. This is the first model produced in 1961. Functional cell (crack on the cover). The lens is a Carl Zeiss Tessar 75 mm f/3.5 with a central Synchro-Compur shutter. Speeds range from 1 second to 1/500 of a second. Clean lenses, without scratches, fungus, detachment or haze. Speeds OK. Serial number: T 2150996 The two levers on the edges of the shooting lens allow on one side to select the type of flash synchronization and the self-timer trigger and on the other to couple the adjustment of the aperture and speeds. Very nice cosmetic
