

## 19th Century Italian Walnut Marquetry Tripod Table

725 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 75

Height : 77

Depth : 75

### Description

A very pretty 19th-century Italian pedestal tripod occasional octagonal table from the Sorrento region, crafted in fine walnut marquetry and other warm-colored woods. The table's edge is adorned with inlay and it stands on a pedestal base, which is divided into three wavy legs also embellished with intricate patterns. Lovely warm color and patina.
