Description

Elegant trumeau in burl and solid carved walnut, characterized by a wavy style on the front. The true beauty of this trumeau lies in the refined floral and geometric inlays that adorn the lower part of the front and the upper sides, giving it a touch of further elegance. The upper part opens, revealing a small space useful for storing objects, while the lower folding top is equipped with drawers for storing small items. The mirrors are authentic, while the lower part, originally with three drawers, was later modified, leaving a drawer and a door that simulates two drawers. This piece of furniture, of great value and value, is able to enrich any environment with taste and style. Venetian manufacture from the second half of the 18th century.
