

Could It Be A Tastevin?

235 EUR

Period : 20th century

Condition : Parfait état

Material : Silver metal

Length : 15cm

Width : 8cm

Height : 8cm

Description

Cup, display stand, shovel, tastevin...? This silver-plated metal object, extremely "art nouveau", is decorated, in relief, in its hollow, with a serene face of a smiling nymph. No doubt a beautiful invitation to serenely taste the beverage that it offers.... However, if it is indeed a tastevin... On an anonymous shower stand, with a handle decorated with a grip in the shape of an acanthus leaf... Pretty unusual object.
