Description

Gold Double Cross Brooch with Turquoise Accents and White Outline Discover this unique and elegant brooch featuring two intertwined crosses, showcasing refined design and meticulous detailing. Design: A stacked double cross in a gothic style, adorned with engraved details and fine finishing. Material: Gold-tone metal with turquoise enamel accents and a white outline for a striking visual effect. Artistic Details: Intricate engravings on the body of the crosses, adding a rich and elegant texture. Delicately placed turquoise inlays enhance the shine and add a pop of color. Contrasting white outline frames the crosses and accentuates their silhouette. Size: Weight: [Please specify in grams]. Style and Use: This brooch is perfect for elevating a classic outfit or adding a unique touch
