Description

Face 2 face - abstract sculpture in burnt chestnut wood representing two people looking at each other. Sculpture by the Belgian sculptor Roland Lavianne (1948-2022). Dimensions height 235 x depth 30 x width 42cm. Black ebonized wood with magnificent wood grains. This collection was acquired in collaboration with 'Igmur Stuer antique objects' (Aalst - Belgium) and @PSCHANTIQUES (Marché Paul Bert, Paris Saint-Ouen). Simplifying functionalities to the extreme, Roland LAVIANNE develops a powerful play on volumes, shapes and lines, using light as a key construction material. Roland LAVIANNE conveys a true mastery of the balance of volumes and lines of force. The figures, immobile but dynamic, seem lost in a theatrical conversation suspended forever.
