Description

Rare kinetic lamp designed by French designer Werner Epstein for Inter Neo.The lamp was exhibited at the 1972 "Salon des Artistes et Décorateurs", held at the Grand Palais des Champs Elysées in Paris in 1972.This beautiful lamp has a very pleasant effect in the room thanks to the aluminum spirals that slowly rotate with the heat of the lamp.One of the two lamps is signed under the shaft and dated 1970.Height 115cm.Price for the pair. Sold as a pair.VIDEO ON DEMAND.
