

Amor And Psyche » Large Figure In Gustavsberg Biscuit, After J. T. Sergel , Swedish School

2 800 EUR

Signature : D'après Johan Tobias Sergel (1740-1814) école suédoise

Period : 18th century

Condition : Bon état

Width : 28cm

Height : 46cm

Description

This important bisque subject from Gustavsberg is a faithful reduction of the famous marble statue by Johan Tobias Sergel, the most important Swedish sculptor of the Gustavian period. The original is in the Royal Palace in Stockholm and a replica is in the Prado in Madrid. This composition captures the flight of Cupid, who spreads his wings at the moment when Psyche tries to hold him back. He must disappear, because Psyche, defying the ban, had discovered his identity.
