

Large Folding Knife With Ogre Decoration - Late 19th Century Folk Art

900 EUR

Period : 19th century

Condition : Etat d'usage

Material : Other

Length : 45 (déplié-outspread)

Width : 9

Depth : 5,7

Description

Surprising folding knife, horn handle with ogre decoration in high relief.

May be a demonstration example (the blade is not sharpened). A reinforcement at the end (see photo with arrows), in order to accommodate the blade.

Embossed copper ring with putti motif.

Slight oxidation, small shocks from use.
