Description

Superb and rare ivory-colored stoneware vase by the sculptor Octave Larrieu 1885.1965. Born in Argentina. He rubbed shoulders with great artists such as Rodin, did his apprenticeship at the Sèvres factory. He taught drawing. And worked with his daughter, painter and pastelist: Simone Larrieu in her studio in rMaubourguet. Near Tarbes. Here is a very beautiful high-quality vase with Art Deco motifs, heavy and stable! Signed. In very good condition! Height of 36 cm for 12.5 cm for the diameter of the base and 7.5 cm for the diameter of the neck. Visually magnificent and very decorative!
