Description

Antique Lepine 18K Gold Pocket Watch - Enamel Dial & Roman Numerals Material: 18k yellow gold case, remarkably fine and bright. Dial: Delicate white enamel decorated with Roman numerals for the hours and Arabic indexes for the minutes, a classic and legible design. Hands: Pistol style, finely crafted for a sophisticated look. Movement: High-precision mechanical movement equipped with a straight-line anchor escapement. Specifications: Breguet Spiral and 19 jewels, ensuring optimum performance and increased durability. Condition: Excellent antique condition with light patina and natural wear marks consistent with its age. Additional Details: Authenticity: Original components, including the crown and winding mechanism. Style: The Lepine case is minimalist
