Description

Description for your professional website:
Elegant 18th Century Solid Silver Jug, 1789
Discover this sumptuous solid silver jug, an exceptional piece dating from 1789, created by the renowned English silversmith Charles Aldridge. Originally from London, Aldridge marked his era with his refined know-how and timeless creations. o Silver: 925/1000. o Weight: 730 grams. o Height: 35 cm. This work perfectly embodies the neoclassical style characteristic of the late 18th century, with clean lines, a slender silhouette and a design of rare elegance. Its original ivory handle, delicately curved, adds a touch of refinement and testifies to the exquisite taste of the period. Every detail, from the finely worked spout to the firmly anchored foot, reflects the excellence of British craftsmanship. This type
