Description

Beautiful ewer and its shuttle basin in Paris porcelain, white and gold. The decoration is composed of a large plant frieze, as well as golden threads, the ewer has a cartouche decorated with a farm and animals in a landscape. Beautiful alternation of masts and brilliants in the gilding giving the decoration a great freshness. We regularly find, under the empire and the restoration, this type of porcelain set, on a barber's, a bathroom cabinet or a bedroom furniture. The set is in excellent condition considering its age (200 years). Height of the ewer 28 / length of the basin 36.5cms
