Description

Painter: Georges Gobo, pseudonym of Georges Gobeau (1876-1958), French painter, illustrator, lithographer and engraver. This artist is "listed" (listed Akoun. La Cote des peintres, artprice...). He was born in San Francisco in a French family and died in France. This painting is distinguished by a very particular light and depth. It offers a magnificent representation of the mountain in the morning or in snowy weather. The delicate shades of mauve, white and gray blend harmoniously, creating an atmosphere that is both peaceful and majestic. The painter's technique, with its precise and expressive brushstrokes, manages to capture the moment. Oil on cardboard signed lower left. New frame. Dimensions: 37.5 x 46 cm without the frame and 69 x 58 cm with the frame.
