Napoleon III Chandelier

1 800 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 55

Height : 100

Description

Napoleon III chandelier very beautiful quality in all respects. The chains punctuated by fasteners in double acanthus leaves quite loaded as its time wants. There are bulb covers like bags (X4) of pearls at the bottom and all the false candles in white opaline (X15) finally very decorative model
