Description

Elegant art nouveau vase decorated with violets in the wind by Montjoye. All the charm of an era with these pretty violets carried by the wind, decoration entirely cleared with acid, finely enameled on top for the flowers and enhanced with gold for the foliage. The whole is on an opaline granite background which captures the light; Finally, note this original "trumpet" shape on a pedestal, very graphic. 40 cm, perfect condition, around 1900, decoration clearly referenced at Montjoye. A very beautiful art nouveau vase.
