19th Century Glass Cooler By Helena Wolfsohn In Porcelain With Bird And Butterfly Decor

320 EUR

Period : 19th century

Condition : Parfait état

Material : Porcelain

Description

Porcelain glass cooler from the Helena Wolfsohn factory, Dresden, founded in 1843, close to the Augustus Rex productions, Meissen.

The signature present was affixed between 1879 and 1883, which allows a fairly precise dating.

The finesse and freshness of the colors of the piece presented here rivals that of the prestigious factory Meissen.

Impeccable condition.
