Description

17th century painting. : Holland / Flanders This tavern scene corresponds to an engraving (see photo) made from a painting by David Teniers. We have not been able to locate the original of Teniers' painting. Given the age of the canvas, it is possible that the painting was made at the time of Teniers himself. The material is very beautiful and rich. The painting is not easy to photograph because of the reflections. The painting was shown to a certified restorer, who thinks that it would benefit greatly from being cleaned. Dimensions: 39.5 x 54.5 cm The painting is unframed.
