

Elucubration Of Five Clowns Culbuto

Description

Still relevant, these vintage toys stubbornly refuse to stay lying down. The counterweight they contain in their molded plastic shells keeps them "upright". Toddlers have fun trying to lay them down. They have therefore also suffered the annoyance of babies.... West German manufacturing... it's marked underneath.

185 EUR

Period : 20th century

Condition : Etat d'usage

Material : Other

Diameter : 7cm
