Description

18k white gold ring, set at the center with a 4.32 ct natural blue zircon, accented by diamonds with a total estimated weight of approximately 0.09 ct. The zircon displays a vivid, luminous blue color, beautifully enhanced by the sparkle of the diamonds set on either side of the central stone. The structured lines of the setting bring balance and character to the overall design. A luminous and elegant ring, with a zircon that offers a beautiful presence on the finger while maintaining an easy-to-wear silhouette.
