

## Jacques Adnet Circular Rosewood Gueridon Circa 1930

2 800 EUR

Signature : Jacques Adnet

Period : 20th century

Condition : Bon état

Material : Rosewood

Diameter : 50 cm

Height : 66 cm

### Description

Very beautiful modernist pedestal table with 3 shelves by Jacques Adnet in rosewood veneer, circa 1930. Good general condition but there must be two small jumps in the veneer on the thickness of a shelf. The dimensions indicated in the advertisement are approximate because I do not have the pedestal table in front of me, but for more precision you can ask me for them.
