Philhellenism: 18th Century Woodcut: The Greeks Take The Waters At Constantinople???

130 EUR

Signature : anonyme

Period : 18th century

Condition : En l'etat

Material : Paper

Length : gravure 31 x 18,3 cm.

Description

I offer you this rare, very old woodblock print depicting a procession of Greeks taking the waters at Constantinople. It is difficult to assess the amount of irony and perfidy in this engraving, which is perhaps a satire. Note that the engraving is laminated on blue Canson paper all around. Old work from before the war.
