Description

Beautiful large bedspread in excellent condition, with hand-made lace incrustations using various techniques. In the center, a basket of flowers and all around, putti and muses.
This precious piece of bedding is in excellent condition, with no stains or holes, in milk white color, a color that could lighten slightly after washing.
Some lace "bridges" may have snapped (see last photo) due to the tension exerted by the weight of the fabric, but these are rare defects and easy to fix.
