Description

This blond mahogany display cabinet, of English manufacture dating from the 1960s, is an elegant and functional piece of furniture. Small in width, it opens at the top with a glass door with a lock, revealing three shelves mounted on racks. The intermediate part opens with a flap, again equipped with an authentic lock, offering three niches and two small drawers with brass knobs inside. The lower part of the piece of furniture has three large drawers with iron handles. The whole rests on slightly cut feet, adding a touch of sophistication to this already refined piece of furniture. ***** Period: 1960 Excellent condition. Waxed finish Shipping possible in France and internationally Dimensions: Width: 63.5 cm Depth: 43 cm Height: 192 cm Ref.113V
