Description

This Scandinavian teak dining table from the 1960s is a perfect example of clean and functional design. With its four spindle legs and rounded apron, it embodies the understated elegance of Scandinavian style. Teak, a wood renowned for its durability and natural beauty, adds a touch of warmth and sophistication to this piece of furniture. The two integrated extensions allow the table to be extended to accommodate up to 8 guests, providing ideal flexibility for meals with family or friends. Whether for an intimate dinner or a large reception, this table adapts to all occasions while maintaining its minimalist and refined aesthetic. ***** Period: 1960
