Description

Large ceiling or wall light in half cylinder, its structure is in solid brass and is decorated with hollow crystal tubes. Very beautiful assembly, quality machining specific to the productions of chandelier workshops of the 1930s/1950s. H 162 CM XP 15 CM XL 21 CM. Initially equipped with neon tubes with ballasts. They were replaced by us with new LED tubes (standard in 220V). Some marks of normal wear. Some tubes have chips (in mm) at the ends but they are hidden by the edge of their brass notch in which the tubes fit. (See photos, almost invisible) Shipping only by carrier, on pallet in a custom-made and secure crate. See this large modernist Art Deco style wall light in full screen mode on Vintage Addict
