Description

Bring a retro and elegant touch to your interior with this set of 4 art deco chairs from the 1960s. Made from stained beech wood, they combine solidity and timeless aesthetics. Each chair has dimensions of 44 cm wide, 103 cm high and 43 cm deep, offering both comfort and style. The high and slightly curved backrest highlights the slender and sophisticated silhouette typical of art deco design. The seat and backrest, covered in green imitation leather, bring a touch of refined color and harmonize perfectly with the warm tones of the stained wood. The choice of imitation leather guarantees an easy-care seat, while maintaining a chic and retro look. Few stains on the faux leather
