

Normandy Box Painted Wooden Jewelry Box - Normandy Folk Art Late 18th Century

220 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Length : 15,8 cm

Width : 10,4 cm

Height : 7 cm

Description

Norman casket, wooden jewelry box painted in black on an ochre background -

Folk art from Normandy, late 18th/early 19th century.

The decoration is rare because it is painted in black on an ochre background, representing stylized leafy flowers.

Mounting with flat points without a head, which indicates old manufacturing.

Original patina of use.

Good old condition, missing small wire clasp.

Dimensions: 15.8 cm long x 10.4 cm wide x 7 cm high
