Large Wrought Iron And Woven Iron Planter

560 EUR

Period : 20th century

Condition : Etat d'usage

Material : Wrought iron

Description

Large planter in wrought iron and braided iron wire from the early 20th century, lacquered in ivory. On two levels, it rests on a wrought iron base with scrolls. The large tub has a receptacle tub in cream white lacquered zinc, which shows some wear, small receptacle in the lower part, very good used condition.
