This sumptuous pair of porcelain vases features a rich celestial blue decoration with intricately hand-painted medallions. Each medallion features elegant female portraits and delicate floral arrangements, surrounded by neoclassical gold-patterned borders. The gold-plated handles, shaped like hanging chains, add a touch of sophistication and recall the classical style of the late 18th century. The lids, topped with pinecone-shaped handles, harmoniously complete the design. These exceptionally refined vases rest on square bases decorated with gold details, testifying to the meticulous know-how of the artisans of the period.
