## Enamel And Bronze Chandelier, 19th Century.

7 500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 53 cm

Height : 60 cm

### Description

Rare chandelier combines the richness of finely crafted bronze with the delicacy of hand-painted enamel, showcasing neoclassical motifs and figurative scenes in medallions. Its elegant design with six curved arms diffuses a warm light, creating a refined and distinguished ambiance. With a diameter of 53 cm and a height of 60 cm, this exceptional piece is an ideal choice to embellish an elegant dining room or living room.
