Description

Charming painting depicting three loves or Putti. It could be an allegory of wine or autumn, the painter having presented them with some grapes.

This oil is painted on canvas mounted on panel.

It is sold in its original gilded wooden frame.

Two small restorations on the inner edges of the painting, nothing serious.

The thick frame of the painting and the technique may indicate that it is a late 18th or early 19th century canvas, in the style of Fragonard or Boucher.

Format with frame: 47.50 cm x 39.50 cm.

Format on sight: 34 cm x 25.50 cm.

Photos are taken in natural light.
