Description

USA / 1966 / set of easy chair and ottoman / Knoll International / Warner Platner / model 1705 / wol, polished nickel / mid century / vintage

Lounge chair and footstool model 1705 designed in 1966 by Warren Platner for Knoll International. A stunning embodiment of mid-century modern design that seamlessly blends comfort with artistic flair. This iconic piece features a graceful, sculptural nickeled steel frame, which not only provides structural integrity but also creates a visually striking silhouette. The chair is upholstered in high-quality wool.

The (original) fabric has some small wear marks. We can offer our reupholstering services.
