### Description

Very original table lamp in brass and gilded metal simulating an old oil lamp topped with a candle and topped with a black velvet lampshade lined with a gold fabric inside. This lamp dating from the 1950s-1960s has been completely re-electrified and the lampshade has been replaced, the old one being in too poor condition. Note some traces of oxidation, taking nothing away from the charm of this very decorative lamp with the appearance of an Aladdin lamp.
