Description

Large antique vase in neo-classical Roman or Etruscan style from the 19th century Napoleon III. Very beautiful vase with exceptional cast iron and chiseling quality and great elegance with its antique green marble support. Note the different character of the decorations on both sides and the finesse of these same decorations giving this vase a clear presence. Very good condition of the structure and the original patina. Vase to be positioned in a central position in a beautiful decoration. Possibility of sending in France and around the world by carrier or by secure and insured package with order tracking. Invoice and certificate provided.
