Description

Discover the sacred elegance of this double-sided reliquary dating from the 19th century. Adorned with delicate paperolles and small precious stones, this reliquary is a powerful symbol of faith and protection. On one side, you will find the precious relic of Saint Grata, a figure venerated for her spiritual strength and a relic of Saint Benedetta, who inspires peace and serenity to those who venerate her. In the center a representation of the portrait of Christ On the other side an unidentified relic. Do not miss the opportunity to own this beautiful reliquary that combines beauty, faith and tradition.
