Description

Very fresh, this oil on canvas seems to have been executed on the motif so realistic are its colors. The weather is calm, a beautiful summer morning on the port of Granville, a three-masted ship at the quay. It is signed lower left and titled on the back "Port de Granville". Bears an exhibition number. Beautiful and sober Montparnasse frame in hand-carved wood whose reliefs are lightly rubbed with gold. The painting comes from the artist's studio, containing most of his works, which was dispersed a few years ago. Its "landscape" format perfectly highlights the representation of the quay! Dimensions: 38 cm x 55 cm painting 52 cm x 69 framed Very good condition. The painting is on its original canvas. Besnard-Fortin Jeanne Mathilde Marie was born on December 3, 1892 in Dolus-Le-Sec
