

Antique Plaque In Wood And Embossed Silver Depicting Saint Joseph. Early 19th Century

1 400 EUR

Period : 19th century

Condition : Très bon état

Width : 32 cm

Height : 48 cm

Description

Effigy in solid embossed silver depicting Saint Joseph holding the Child Jesus, represented with great quality and attention to detail. Set in a contemporary veneered wooden frame, richly decorated with silver ornaments, all on a red velvet base. Likely of Florentine origin, certainly attributable to the very first quarter of the 19th century.
