Three Barbotine Plates With Greek Wave Decor And Renaissance-style Rosette

100 EUR

Period : 20th century

Condition : Parfait état

Material : Earthenware

Diameter : 22 cm

Description

With their polylobed shape and sober colour harmonies, these three slip plates stand out from what we usually see, and this is not only true for the colours but also for the decoration borrowed from the Renaissance with these infinite waves and fleur-de-lis rosettes.
