Condition : Bon état

Material : Paper

Length : 80x57. 78 x56

### Description

Very beautiful painting treated with gouache representing a port with its boats. Remarkable technique with a beautiful palette of bright colors. Probably from a good artist's hand given the quality and the final rendering! Unsigned. Large sheet mounted on a wooden panel. In good condition (some small friction on the bottom) format of 80x57 cm with frame and 78x56 cm without. Visually superb painting! Very lively and decorative!
