### Description

Art Deco Gueridon Black Lacquered Silver Plated Carvings 20s

Very elegant Art Deco pedestal table of square shape with bevelled edges and 4 flat legs/sides that end at the bottom of the square base.

The object is a nice size and is of course in very representative condition due to the glossy black lacquer (which has been fully restored).

A 2cm wide carved band of stylised flowers and graphic elements runs along the top frame of the table, which has been silver leafed, adding a striking Art Deco touch.

A black glass plate rests loosely on the top tray, which has been specially designed to protect the plate and make the table easier to use.

Base dimensions 44.5 x 44.5 x 5cm
