

## 19th Century Cobalt Blue Enameled Twisted Opaline Vase

2 150 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

### Description

Elegant vase in twisted cobalt blue opaline, enriched with finely gilded floral motifs. With its delicately worked spiral lines and gold details, it embodies the refinement of traditional artisanal techniques. This prestigious vase, ideal for a sophisticated decoration, combines the subtlety of intense blue with the richness of gold ornaments. Its flared neck and solid base give it a balanced and majestic look, perfect for enhancing a bouquet or being presented as a centerpiece. A timeless choice for lovers of exceptional decorative art pieces. Height: 31.5 cm
