Description

Superb pair of Louis XV style side tables, combining elegance and refinement. Their marquetry wood structure highlights a delicately inlaid floral decoration, enhanced by gilded bronze ornaments. The veined marble top, framed by a bronze gallery, adds a touch of prestige to these side tables. Each table has a drawer on the front, decorated with marquetry with plant motifs and a finely chiseled bronze handle. The curved legs, characteristic of the Louis XV style, are decorated with appliques and gilded bronze sabots. A lower marquetry shelf, decorated with floral motifs, completes the set, providing additional storage space. These elegant side tables can be used as end tables, or as occasional furniture in a classic or refined interior.
