

19th Century Popular Art Monoxyl Carved Wood Pipe

350 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 21 cm

Description

Wooden pipe carved from very hard wood, a real feat for its realization because it is monoxyl.

The pipe is surrounded by leafy branches and acorns where two snakes mingle.

Amazing work of popular art. Used (potted hearth).

Good condition, note the small loss at the tip of one of the leaves.

Length 21cm Weight 100gr
