

Pair Of Opaline Vases, 19th Century

2 200 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Description

Rare pair of 19th century turquoise opaline vases, decorated with a sumptuous oriental-inspired enamel decoration. Each vase features a central radiant motif, richly decorated with polychrome floral and geometric motifs, enhanced with delicate gold details. The hanging chains and small stylized flowers add a touch of remarkable finesse, testifying to exceptional craftsmanship. These exceptional pieces combine elegance and refinement, ideal for enriching a collection or enhancing a sophisticated interior. Measurements: 29.5 cm x 15 cm
