### Description

Rare two-sided plaque, in ivory patinated by time. On one side, the Virgin with the seven sorrows, her heart pierced by 7 swords, on the other Christ with the reed. Devotional work, popular art, very early in the 17th century. This rare plaque has two hanging holes, at the top of the arch, it was certainly suspended by a cord on a support. It is sold with a display covered in very worn red velvet. Very touching devotional object. France
